PRESIDENT'S MESSAGE:

Thank you for another incredible year! We have successfully continued our pledge to maintain the health of the lake! Through your continued membership and volunteerism, we were able to operate another year in the black. Thank you to all who volunteered in water monitoring, picking up litter, volunteering time for the triathlon, selling magnets and worked in every way to move this organization forward for the betterment of our community and watershed! Special thanks to our logo contest winner, Susan Dingsor, for her beautiful logo entry and to all those who shared their talents with us!

Cheers to another wonderful year!
